

Gang Show design competition

As the Gang Show in January is our **Diamond Anniversary**, we need a **logo** to celebrate, and so are running a **competition** for the best design.

The logo needs to be circular, needs to contain the words Harpenden Gang Show (or HGS, or some derivative thereof) as well as the number 60. It needs to be an original idea but simple design, as it will be used on special polo shirts that you will be able to order, as well as a limited edition woggle (design area 5cm diameter) for cast and crew that you will wear during the Show. So get designing and send your final design to me at the address below or via e-mail. The winning logo will be tidied up if necessary by our programme designer, Gosling Design, and the winner will receive a **£15 I-Tunes card** as a prize.

Closing date is Sunday 31st August.
