Dear Scout Leader(s)

The good news is that most of our young people do care about others. We hope that some of your Scouts who are good swimmers would like to help peers who are not so comfortable in their lives, in fact are homeless.

Rotarians in the city want to support Herts Young Homeless that works for young people who no longer live in their family homes for various reasons. Although the city is seen as a rich community it suffers a high degree of homelessness, including among young people.

We believe that your Scouts will want to join us in raising much needed funds to support the work of Herts Young Homeless by getting family and friends to sponsor them to take part in our SWIMATHON that we are holding at Westminster Lodge Swimming Pool on Saturday 9th March between 6-00 p.m. and 10-00 p.m.

We hope you and your Scout Troop will support the event. Please let us know if you would like publicity material available as A5 leaflets and A4 and A3 posters. I have provided an example.
